## Description

Four Bedroom | Two Reception Rooms | Three Bathrooms | Enclosed Courtyard | Centrally Located

Pattinson Estate Agents are proud to market this large townhouse ideally located at the heart of the Historic market town of Alnwick, boasting an excellent array of shops, art galleries, tea rooms, pubs and cafes including the well renowned Barter Books. It is also a convenient base for those that enjoy cycling or walking and is just 3 miles from some of Northumberland's' award winning and finest beaches.

Alnwick is also well served by public transport with regular buses running routes to Berwick and Newcastle and with the East Coast mainline trains stopping at nearby Alnmouth Station giving easy access to Edinburgh, Berwick, Newcastle and Kings Cross. Newcastle International Airport is 35 miles to the south.

Arranged over three floors, the layout is perfectly suited to an owner occupier who is looking for a property with private living space and a separate entrance annex for receiving holiday lets or a bed and breakfast guesthouse. Whilst the space is currently utilised as four bedrooms, a communal lounge, dining room and a dining kitchen, there is much flexibility with the seven main rooms in this impressive building. It could also be a fantastic town centre main second home or main residence.

With views over the Alnwick castle walls, the two second floor ensuite bedrooms offer characterful and charming space for guests with a communal lounge below on the second floor. These two rooms together with a third double bedroom at the front of the building can all be accessed from a 'guest' entrance and staircase. The second staircase with its own private entrance leads to the living space for the current owners and a guest dining room. Both sides of the property are interlinked, and a central external passage leads through to a private courtyard.

Viewing by appointment only.
