Description

Being Sold via Secure Sale online bidding. Terms & Conditions apply. Starting Bid £90000

This property will be legally prepared enabling any interested buyer to secure the property immediately once their bid/offer has been accepted. Ultimately a transparent process which provides speed, security and certainty for all parties.

Positioned within an established residential setting, 2 Chingford Bank is a home that offers clear potential from the moment you arrive. The property already provides a comfortable footprint, while the scope to modernise and reshape the interiors creates an opportunity for buyers looking to add value over time. Sensibly priced to reflect the work required, it represents a straightforward and appealing project for those with an eye for possibility.

The ground floor centres around a bright lounge that flows naturally into a conservatory overlooking the garden. This additional space brings in plenty of natural light and creates a relaxed connection between the interior and outdoors. Alongside this, the modern kitchen provides a practical base that already works well for day to day living while leaving room for future enhancement.

Upstairs the layout remains simple and well balanced, with three good sized bedrooms and a family bathroom. The proportions of the rooms offer flexibility for a young family, first time buyers looking for space to grow into, or investors seeking a property with strong long term potential.

Outside, the garden is one of the home's most promising features. Generous in size and full of opportunity, it offers plenty of space for landscaping, extensions or simply creating a more private outdoor retreat. With the price already reflecting the level of modernisation required, the property presents itself as a sensible investment as well as a chance to create a home that feels entirely your own.
